

# 9/11 = Government Sponsored Terror

Has the US ever done anything like this before 911?

## Operation Northwoods

A US Plan to create a terror campaign and blame Cuba so we could go to war with them.

*"We could develop a Communist Cuba terror campaign in the Miami area, in other Florida cities and even in Washington."*

*"A series of well coordinated incidents will be planned to take place in and around Guantanamo to give genuine appearance of being done by hostile Cuban forces. We could blow up a US ship in Guantanamo Bay and blame Cuba."*

This plan was never initiated, but it went through extensive planning.

Who else has caused terror in their country to further their ideals?

.....The answer is Hitler and the Nazis

## The Reichstag Fire

The fire was started by the Nazis, who used the incident as a pretext to outlaw political opposition and impose dictatorship.

They blamed "the communists" and the Jews, the trade unionists and the homosexuals. With the support of a terrified populace, they suspended civil rights and civil liberties, fattened their war machine and rode the fascist tide into a full-blown dictatorship

*"It is the leaders of the country who determine the policy and it is always a simple matter to drag the people along. That is easy, all you have to do is tell them they are being attacked, and denounce the peacemakers for lack of patriotism and exposing the country to danger. It works the same for any country."*

*Hermann Goering*

*Hitler's Reichsmarschall*

Who would do this in America?

The authors of

## Project for a New American Century

*"Fight and decisively win multiple, simultaneous major theater wars"*

*"Deploy Global Missile Defenses"*

*"Control Space and CyberSpace"*

*"In the new century, the prospect is for a variety of theater wars around the world, against separate and distinct adversaries pursuing separate and distinct goals."*

*"These constabulary missions are far more complex and likely to generate violence than traditional "peacekeeping" missions."*

*"Further, the process of transformation, even if it brings revolutionary change, is likely to be a long one, absent some catastrophic and catalyzing event – like a new Pearl Harbor."*

## Evidence for 9/11 Truth

*"Another of the men named by the FBI as a hijacker in the suicide attacks on Washington and New York has turned up alive and well. The identities of four of the 19 suspects accused of having carried out the attacks are now in doubt."*

**Put options can be bought when you think a company may lose market value, if you are right you can make millions.**

*"Between September 6 and 7, the Chicago Board Options Exchange saw purchases of 4,744 put options on United Airlines, but only 396 call options."*

*"On September 10, 4,516 put options on American Airlines were bought on the Chicago exchange, compared to only 748 call options."*

**These trades represent insider knowledge of 9/11**

*"[The 9/11 Commission Report] does not name who made the put-option trades in the U.S., but disregards them because "have no conceivable connection to al-Qaeda" (as though no one outside of al-Qaeda could have had prior knowledge of the attacks)."*

## The collapse of WTC #7

*"Fires have never caused steel frame buildings to collapse, let alone implode and fall neatly into their footprints, as did Building 7."*

*"Building 7's precise fall left a tidy pile of rubble. Damage to adjacent buildings was limited, the skyscraper having miraculously avoided damaging its closest neighbors, the Verizon building and U.S. Post Office building."*

*"On September 11, 2001, the Air Force was in its second day of annual wargame drills, titled VIGILANT GUARDIAN, designed to test national air response systems, which incidentally involved hijacking scenarios."*

*"Scrambling Air Force interceptors does not mean shooting down any aircraft. In the year prior to 9/11 this automatic procedure was triggered a total of 67 times. On the morning of 9/11, it was not successfully applied even once in the well over an hour-long period in which the four separate hijackings occurred."*

It is up to you, the citizen, to research these topics and decide what really happened. The information presented here is only the tip of the iceberg. You MUST research the inconsistencies of the official story of 9/11 and look at your government's actions critically.

Dissent is the highest form of Patriotism.
